"J" series jaw Crusher

J40 Jaw Crusher C6.6 CAT engine
225Hp (166 kw) – 1016 mm (40") x 610 mm (24")

J45 Jaw Crusher C9 CAT Engine
350 Hp (261 kw) – 1143 mm (45") x 685 mm (27")

J50 Jaw Crusher C9 CAT Engine
350 HP (261 kw) 50" (1270 mm) x 26" (660 mm)

"C" class cone crushers

C38 Cone Crusher CAT C9 Engine
350 HP (261 kw) - Telsmith 38SBS
Hopper 5.0m³ (6.5yd³)

C44 Cone Crusher CAT C13 Engine
440 HP (328 kw) - Telsmith 44SBS
Hopper 5.0m³ (6.5yd³)

"I" class impactors

I44 Impactor CAT C9 Engine
350 HP (261 Kw) - 42" (1050mm)
diameter x 43.3" (1100mm) wide

I54 Impactor CAT C13 Engine
430 HP (320 kw) 47" (1200mm)
diameter x 53" (1350mm) wide

"V" series vertical shaft impact crushers

V80 Vertical Shaft Impactor CAT C13 engine
440 HP (320 kW)
Hopper 5m³ (6.5 yd³)

SCREENS AND STACKERS

Screens McCloskey International has a range of screens that are designed to give customers high output and durability in the harshest of conditions.

S130 - 3 Deck

CAT 4.4 Teir III

100 HP (75 kW)

1270 mm (50") x 660 mm (26")

S190 - 3 Deck

CAT4.4 Tier III

125 HP

20' x 5' (6100 mm x 1524 mm)

Stacking Systems McCloskey stackers can swivel through a radius of 180°,

ensuring greater stockpile capacity without moving the installation, equaling less downtime for operators, high output and durability in the harshest of conditions.

Wheel stackers

ST80 36 x 80 Stacker - Diesel Engine

49 HP (36.5 kw)

Production capacity up to 500 TPH

Available in 100', 120' models

Tracked stackers

TS4065 Stacker - Diesel Engine

49 HP (36.5 kw)

Production capacity up to 600 TPH

Available in 80', 100' models

**is an official dealer for
McCloskey International in Africa**

Established in 2004,
